### **Rosemarie Latham Outraises Opponent 6:1 in Latest Financial Reporting Period**

**DELTONA, FL** – Rosemarie Latham’s campaign for Florida House District 29 has achieved a significant fundraising milestone, outpacing her opponent by a remarkable 6:1 ratio in the latest financial reporting period for 06/01/2024 - 06/14/2024. This impressive financial support underscores the growing momentum and widespread grassroots backing for Latham's candidacy.

During the last financial reporting period, Latham's campaign raised more than six times the amount collected by her opponent, highlighting the community’s strong belief in her vision and leadership. This fundraising success is a clear indication of the trust and confidence that voters and supporters have in Latham’s ability to represent their interests effectively.

"Our campaign is fueled by hundreds of individual contributors who believe in a brighter future for Florida, and together, we are making that vision a reality." said Rosemarie Latham. "We are developing a coalition of support among everyday Floridians. We invite everyone to join our campaign, to build with us."

The significant financial advantage will enable Latham’s campaign to expand its outreach efforts, enhance direct voter engagement, and ensure that her message of progress, inclusivity, and effective leadership reaches every corner of District 29. In contrast, her opponent's campaign continues to rely heavily on major corporate and PAC contributions, while Latham's support comes predominantly from individual donors.

"Our success is a testament to the power of a people-driven campaign," Latham added. "We are committed to building a future that works for everyone, not just a select few. Thank you to everyone who has contributed to our movement. Together, we will achieve great things."
