Rosemarie Latham Campaign to Host Labor Town Hall on Saturday, October 19th

Deltona, FL — The Rosemarie Latham Campaign invites the press and public to attend a Labor Town Hall on Saturday, October 19th from 5:00 - 7:00pm. This event will provide an opportunity for voters to engage directly with Rosemarie, discuss issues affecting working families, and learn more about her plans to strengthen labor rights and economic development in Florida.

“Thank you to IBEW 756 for hosting this event,” said Latham. “There is no greater responsibility as an elected official than to meet with and listen to our constituents. As a working nurse practitioner, I look forward to discussing labor challenges and the steps necessary to create potential solutions.”

The town hall will begin at 5:00 PM at IBEW 756 - 5901 S Williamson Blvd. Port Orange, FL 32128, with time set aside for open Q&A.
